

Personal, Social and Emotional Development

We will be supporting children to settle into Nursery routines and expectations. We will also be supporting children to play with others and to develop friendships.

You can help at home by...

Talking to your child about Nursery and encouraging turn taking with playing with them at home.

Literacy

We will be supporting children to build a bank of familiar stories, rhymes and songs. We will also be supporting children to develop their mark making skills and to distinguish between the marks they make.

You can help at home by...

Reading regularly at home and encouraging your child to talk about the story you have read. Encourage your child to make marks in a range of materials and to talk about their mark making.

Expressive Arts and Design

The children will have lots of opportunities to use their imagination and creativity through role play and small world play. We will be supporting the children to explore and respond to dance and music. They will have opportunities to explore different media and materials.

You can help at home by ...

Talking to your child about what they have drawn, involving your child in everyday tasks and by listening to music together. by singing songs at home together.

Communication and Language

We will be spending time learning and singing nursery rhymes. We will be supporting children to use language to confidently express their wants and needs.

You can help at home by...

Talking and listening to your child, singing nursery rhymes and reading stories.

Physical Development

We will be supporting the children with toileting and other self help skills. We will be encouraging children to be independent. We will also be supporting the children to use simple tools and to be confident in moving in a variety of ways.

You can help at home by...

Supporting your child to develop their independent self help skills such as taking off their coat or using the toilet. Taking your child to the park to climb, run, jump etc.

Mathematics

We will be supporting the children to begin to use number names and to develop an awareness of shapes and patterns in the environment.

You can help at home by...

Singing number songs, talking about daily routines and about shapes and colours.

Nursery Curriculum Map

Autumn 1 2020

Religious Education

The children will be learning about the world that God created and celebrating that we are all unique. We will be talking about God's love for all.

You can help at home by ...

Look over photo albums and recall stories of your family. Celebrate the friends you have who are from different cultures. Speak positively about difference.

Understanding the World

Our focus, for this term, as the children settle in will be *I am Special*. The children will develop an understanding of themselves, their families and special events. We will also be exploring our environment as the seasons change.

You can help at home by...

Talking about people who are special to your child and looking back over photographs of memorable occasions. Talking to your child about differences, similarities and changes they notice.
