

St Agnes' Catholic Primary School

Attendance and Absence Policy

Date of policy review: September 2026

Next review: September 2027

Our school mission statement pervades every aspect of school life and can be seen as a reality in our interactions with each other

'The family of St Agnes Loves, learns and grows together as followers of Jesus'.

Together, we strive to ensure that everyone in our school community is given the nurture, encouragement, knowledge and skills to enable success whilst at St Agnes' and equip them for the next stage of their educational career and as responsible citizens of the future.

This is achieved through our exciting and ambitious curriculum; providing access to a diverse array of enrichment activities; and by fostering a supportive learning environment through our caring and skilled staff team, inspiring each child in their educational journey.

We are proud of our holistic and inclusive approach to learning, along with our commitment to promoting positive emotional well-being and mental health for all.

We understand that each child is an individual and as such we get to know each member of our school exceptionally well while keeping Christ at the centre of all we do.

For a pupil to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all pupils. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to education law and guidance and our school attendance policy is written to reflect this legislation and the guidance produced by the English Government.

The legislation makes provision for a school day which is to be divided into two sessions with a lunch break in the middle and to be available for 190 days in any school year. Registration will take place at the start of the morning session and following the last lunch period.

The school will review its systems for improving attendance on an annual basis to ensure that it is achieving its set goals and targets as identified by the Governors, local authority, Consortium and the English Government.

The school takes a whole-school approach to securing good attendance, and recognises the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, supporting pupils with medical conditions or disabilities, safeguarding, pastoral support and wellbeing, support for young carers and children with a social worker, and the effective use of resources such as pupil premium – can have on improving pupil attendance.

The school is committed to:

- Promoting and modelling high attendance and its benefits.

- Ensuring equality and fairness for all.
- Ensuring this attendance policy is clear and easily understood by staff, pupils and parents.
- Intervening early and working with the LA and other relevant partners to understand and remove barriers to attendance and provide appropriate support.
- Building strong relationships with families to overcome barriers to attendance.
- Working collaboratively with other schools in the area, as well as other agencies.
- Ensuring parents understand their legal responsibility to make sure their child receives an efficient, full-time education suitable to their age, aptitude and any special educational needs they may have, and that, where their child is registered at school, they have an additional legal duty to ensure their child attends regularly.
- Regularly monitoring and analysing attendance and absence data to identify pupils or cohorts that require more support.

This policy will contain the procedures that the school will use to work towards meeting its attendance targets, as set by the local authority.

Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents, carers and pupils.

We will ensure that our pupils are made aware of the importance of good attendance and how this will benefit them, both now and in the future; we will offer reward schemes for individual learners, classes and year groups who have high levels of school attendance, no unauthorised absence and/or have shown to significantly improve their attendance rates.

We will use a variety of strategies to intervene at an early stage to encourage improved attendance of individual pupils and assist to overcome any barriers that may be preventing the expected level of attendance. These strategies may be school-based, or may be implemented jointly with other partners to ensure the most appropriate support for the individual and their family.

The home school agreement will contain details of how we will work with parents and carers and our expectations of what they will need to do to ensure pupils' achieve good attendance. These expectations and potential consequences of not meeting the expectations will be regularly communicated to parents throughout the academic year in various ways such as text messages, the school website, newsletters and at parents' evenings.

School procedures

Any pupil who is absent from school at the morning or afternoon registration period will have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). Only the head teacher, or a member of staff acting on their behalf, can authorise absence.

If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unexplained (N code) and promptly followed up by the school as part of its early intervention and safeguarding strategies. This will be in the form of a text message, telephone call or letter to the parent or carer to enquire about the whereabouts of the pupil. If no reason is given by the end of 5 school days or the reason given is not reasonable, the pupil will be recorded as an unauthorised absence (O code).

The coding for any absences will be in accordance with the guidance provided by the Department of Education as in Appendix 1.

Punctuality

Morning registration will take place at the start of school at 8:55am. The registers will remain open for a maximum of 10 minutes from this start time, in accordance with Government guidance. Any pupil arriving after this time will be marked as having an unauthorised absence (U code) unless there is an acceptable explanation i.e. school transport was delayed. In addition, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered (M code in this instance).

Pupils arriving after the start of school but before the end of the 10-minute registration period will be coded as late (L code).

Afternoon registration will be at 1:05pm Rec & KS1, 1:20pm KS2 and any pupil arriving after this time will be marked as present but late (L code) if they arrive within 30 minutes, or an unauthorised absence (U code) if they arrive more than 30 minutes after the start of the afternoon session.

In the event of three late arrivals, the school will contact the parent to inform them of the impact on their child's attendance and subsequent attainment. Should the pupil continue to arrive late for registration after being advised, the school will issue a letter inviting the parent or carer to a meeting to discuss the barriers that are preventing punctual arrival and offer support where appropriate. Following this meeting, if the pupil is late again, parents and carers will be invited to a meeting with the head teacher or attendance lead together with the Link Governor for Attendance to discuss the matter and possibly take further action.

Parents and carers are reminded that the local authority may issue a fixed penalty notice for unauthorised lateness after the close of the register in accordance with the local authority's Code of Conduct for the Issuing of Fixed Penalty Notice for Non-School Attendance, if the number of unauthorised absences or lates (O or U codes) is 10 sessions or greater in 10 weeks.

First day absence

Parents and carers are reminded that they should contact the school by 9:00am via Parentapp, telephone or email if their child is not able to attend school on that day. Parents and carers must state the **full** reason for the child's non-attendance (not just "feeling unwell") and indicate the likely date they will return to school. Parents/carers should be prepared for members of the school staff to ask questions about the pupil's condition, the patterns or trends in their absences and any treatment they may be receiving.

If a parent or carer does not contact the school, staff will endeavour to ascertain the specific reason for non-attendance as soon as possible on the first day of absence, after both morning and afternoon registration. This may include a telephone call, texting service, a home visit from a member of school staff or an Education Welfare Officer. Once the specific information is received, the register will be amended to reflect the appropriate absence code (see Appendix 1 for the types of code).

Priority will be given to children who are deemed to be particularly vulnerable, e.g. those known to Children's Services or are looked after (LAC). The local authority's Education Welfare Service will be notified of unexplained absences of five days or more, which will be reduced to only 24 hours if the pupil is on the child protection register, who may conduct an unscheduled home visit to determine if the pupil is safe and well.

Any learner may be subject to a visit from the Education Welfare Service where the school has any concern around attendance, or lack of contact from parents. These visits are intended to offer the right support to overcome any barriers to attending schools.

Absence notes and supporting evidence

Parents are required to report a child's absence to the school office (via Arbor, email or telephone) before 9:00am on the first day of their child's absence – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, e.g. one school day.

Where a pupil is absent and their parent has not contacted the school by the close of the morning register to provide a reason for the absence, the designated member of staff will contact the parent as soon as practicable on the first day of absence. Where absence continues without explanation, the school will make further contact with the parent and take appropriate steps to establish the pupil's whereabouts and ensure their safety.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

The school will not routinely request medical evidence where a pupil is absent due to illness. Where there is genuine and reasonable doubt about the authenticity of the illness, the school may request appropriate supporting evidence. Where a parent cannot provide evidence in the form requested but can provide other evidence, the school will take this into account.

Where a pupil's absence is at risk of becoming persistent or severe, the school will work with the pupil and their parents to understand the barriers to attendance and agree appropriate actions or interventions.

The school will provide the LA, at the frequency agreed with the LA and no less frequently than once per calendar month, with the names and addresses of pupils of compulsory school age who fail to attend school regularly or who have been absent continuously for ten school days where their absence has been recorded using one or more of codes G, N, O and/or U.

Where a pupil does not return from a period of leave or has a continuous period of absence, the school and the school and the LA will carry out joint reasonable enquiries, where required under the School Attendance (Pupil Registration) (England) Regulations 2024, to establish the pupil's whereabouts. Where the pupil lives in a different local authority area, the School LA will liaise with the Home LA as appropriate. If, following reasonable enquiries, the pupil's name is lawfully removed from the school's admission register, the relevant LA will consider whether the pupil should be identified as a child missing education.

Where the school is unable to establish the reason for a pupil's absence and there are safeguarding concerns, the school will take appropriate action in line with its safeguarding procedures. The school will recognise that unexplained or prolonged absence from education can be a safeguarding warning sign.

Medical and illness absences

The school appreciates that there are times a pupil has to attend a medical appointment during the school day. In these instances, a copy of all appointment letters should be provided to the school **prior** to appointment date to inform the school of the set scheduled time. We would ask that routine appointments e.g. dental checks are scheduled for outside of school day.

If a pupil is repeatedly absent due to illness, the school may request supporting evidence that the pupil is receiving the necessary medical treatment. An appointment card, consultant letter, photograph of

prescription medication, would all suffice as medical evidence. Without the necessary evidence, the school may notify the parent or carer that all future absences will be unauthorised until the necessary medical evidence has been provided, and a referral to the Education Welfare Service may be made.

Continuing and frequent absence

Within the school it is the responsibility of the class teacher/registration tutor or attendance officer to be aware of and bring attention to the head teacher (or person to whom they have delegated responsibility for attendance), any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible. This may involve inviting the parents/ carers and the pupil into school for a meeting. However, should this absence persist a referral will be made to the Education Welfare Service when the attendance drops below 90% for the preceding six school weeks. (The percentage should be agreed with your LA)

For unauthorised absences of 10 sessions or more in a 10-week period (there are two sessions in a day, morning and afternoon), you may issue a fixed penalty notice in accordance.

Persistent absence

The Department of Education defines persistent absence as pupils whose absence level is more than 10% (less than 90% attendance). These pupils will be subject to an action plan to support their return to full attendance. This plan may include a referral to the Education Welfare Service for additional support for the pupil and their family.

If the pupil and family do not engage with the action plan, court action may be taken against the main parent(s) or carer(s) via the Education Welfare Service.

Absence related to discrimination

As a school, we will monitor and report all discriminatory incidents each term and if the reason for a pupil's absence is related to any of the above issues, we will take action to deal with the situation.

Leave of absence/holidays in term time

Leave of absence during term time is actively discouraged as it negatively impacts on the pupil's ability to engage with the full curriculum. Parents and carers do not have the automatic right to withdraw their children from school for a family holiday and will be reminded of the effect that absence can have on a pupil's potential achievement.

The school will consider any application for leave of absence for exceptional circumstance; parents and carers must apply in advance for permission for their child to have leave of absence. Forms to request a leave of absence can be obtained from the school, either in paper copy from the school office or from the school website. The head teacher will consider the request and respond in writing within 3 school days to inform the parent or carer whether the request has been authorised. Subsequently, a parent or carer can make an informed decision whether they wish to pursue the absence in the knowledge of any potential consequences.

Parents and carers are advised that a fixed penalty notice may be issued when permission for leave of absence has not been authorised by the school.

Fixed Penalty Notices for Non-Attendance at School

The school may issue a fixed penalty notice where a parent/carers has failed to secure their child's regular attendance at school. A penalty notice can be issued against one of the following criteria:

1. Where there is a minimum of 10 unauthorised sessions (5 school days) in a 10-week period (these do not need to be consecutive) which includes pupils who are persistently arriving after the close of the registration period.
2. Where a parent(s)/carer(s) refuses to engage with a school in the interest of improving their child's school attendance levels;
3. Where a holiday in term time has been requested but has been unauthorised.

The Local Authority can issue a fixed penalty notice if:

1. Parents are intentionally and deliberately, taking leave at the same time every academic year or purposefully taking under the threshold of 10 sessions to avoid a fixed penalty notice.

Each pupil's absence will be considered on its own merits and if appropriate, a fixed penalty notice may be requested to encourage improved future attendance. If a pupil's attendance is significantly low, a referral to the Education Welfare Service may be considered as an alternative to requesting a penalty notice.

Reintegration

The school will welcome back all pupils on return from an absence caused by a prolonged illness. This will include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

If the pupil has been absent for a considerable period of time, a reintegration plan will be introduced tailored to the needs of the individual.

Roles and responsibilities

St Agnes' Catholic Primary School is aware that ensuring regular school attendance is a demanding area of work that depends on establishing and utilising close working relationships between parents/carers, pupils, schools, the local authority and other professionals who work with children.

A key part of any successful working relationship is a clear understanding of each person's role and responsibilities, and as such the following sets out to clarify the roles and responsibilities for those people engaged with tackling absence issues.

The Parent/Carer

Under section 7 of the Education Act 1996, the parent/carers is responsible for ensuring that their child of compulsory school age receives efficient full-time education that is suitable to their child's age, ability and aptitude and to any special educational needs the child may have. This can be by regular attendance at school, alternative provision or by elective home education (the parent can choose to provide education for their child).

A pupil's punctuality is also a legal requirement and parents/carers of a pupil who is persistently late (after the close of the register) can also face legal proceedings. Sometimes, there are situations at home that may make it difficult for a pupil to arrive on time and as such due consideration is given to any help or assistance a family may need in these circumstances.

The School

Schools are required under the Education (Pupil Registration) (England) Regulations 2024 to take an attendance register twice a day; at the **start** of the morning session and once during the afternoon session. The accuracy of the register is important in order to support any statutory interventions that may be required. It should be noted that it is an offence not to maintain accurate registers.

The school has the responsibility to monitor individual attendance rates at least weekly and use their own intervention methods to tackle individual pupil attendance issues where the pupil's attendance rate is 91% and above. A referral to the Education Welfare Service should be made by the school when an individual's attendance falls to 90% or below over a six-week period and there is no exceptional reason for this (i.e. the majority of the absence is unauthorised). See point 12.

Head Teachers will be responsible for the strategic management of attendance across the school. They will scrutinise the data on a weekly basis, monitor trends and patterns across cohort of pupils, and evaluate interventions for their impact and effectiveness and direct resources for the best possible outcome. The Head Teacher will present the data to the Governing Body on a termly basis for scrutiny.

Class Teachers will be responsible for completing the session registers fully and accurately during every registration. This practice ensures good safeguarding processes, enabling the school to know where every pupil is at the start of all sessions and for school Admin/Secretary to commence the 'first day response' process if the pupil is not present. SIMS notes fields should be used to ensure that the additional details relating to the absence are captured and retained on file.

Admin Assistant/SBM will be responsible for the daily operational attendance duties. They will ensure that all registers have been completed by the classroom teachers on a daily basis and if not will escalate this to the Head Teacher for action. They will undertake the 'first day response' on each morning for those pupils whose families have not made contact. They will collate the supporting evidence, and chase any outstanding forms, absence notes, holiday request forms etc. The officers will compile the data in preparation for analysis by the Head Teacher and make the referrals to the Education Welfare Service.

In order to request a fixed penalty notice, the school will monitor the individual attendance patterns of their pupils. If trends are identified that match the criteria stated in the local authority's Code of Conduct, a school has the opportunity to make a formal request to the local authority to issue a penalty notice.

The Education Welfare Service (EWS)

The principal function of the Education Welfare Service is to improve attendance in all schools and alternative education provisions across the local authority by supporting pupils and their families to overcome their barriers to engagement.

The service provides support to schools, pupils and their families to ensure regular attendance and address any difficulties relating to absenteeism. The Education Welfare Service works collaboratively with a range of support services and agencies and provides an essential link between home and school to ensure that pupils benefit from the educational opportunities available to them.

The service acts on behalf of the authority in its statutory enforcement capacity and is responsible for a number of related duties that include:

- the regulating and issuing of child employment and performance licenses for school age children and young people, and their chaperones;
- to investigate, locate and track children who are referred as “Children Missing from Education and Children Missing from School”;
- to oversee the education needs of vulnerable pupils e.g. Gypsy Traveller families;
- to work in partnership with the Police in the arrangement and coordination of formal truancy operations in accordance with Crime and Disorder legislation.

Attendance initiatives

The school and local authority will work closely together to raise the awareness of school attendance, promote good attendance and tackle unauthorised absence.

The school will use an awards system to reward pupils who have excellent or improving attendance. Any reward system must be meaningful to the children and the timing of rewards needs to be taken into account to ensure that the children can make the link between their attendance and any rewards.

The school will work with the Education Welfare Service to undertake local authority initiatives such as the Wellbeing Response Visits, Meet and Greet sessions and target groups.

Categorisation of absence

All pupils who are on role but not present in the school must be recorded within one of these categories.

- ☐ Authorised Absence
- ☐ Unauthorised Absence
- ☐ Approved Educational Activity

Unauthorised absence

These codes are for those sessions where pupils were absent and no reason has been provided, or whose absence is deemed to be without valid reason.

Authorised absence

These codes are for those sessions where pupils are away from school for a reason that is deemed to be valid. Evidence may be requested to support the reason given (e.g. medical evidence, appointment cards, etc.)

Approved educational activity

These codes cover types of supervised educational activity undertaken off the school site but with the approval of the school and/or the LA, where the session has been supervised by an approved tutor.

This would include:

- ☐ Work experience placements

- Field trips and educational visits
- Sporting activities
- Link courses or approved education at another venue
- Education arranged by the Child and Adolescent Mental Health Service (CAMHS)

Retention of records

Computer registers are preserved as electronic back-up copies. Attendance regulations stipulate that attendance records should be retained for at least three years; however, it is good practice to extend this period in line with the education record retention schedule.

Register checks

The local authority will formally check the school registers on a termly basis to ensure there is compliance with the national legislation. It should be noted that registers are legal documents, and it is an offence not to maintain accurate records.

Attendance targets

A system for analysing performance towards the targets has been established and the head teacher is responsible for overseeing this work. The school and Governing body will make use of the attendance data available from the Consortium and the local authority when reviewing its targets and analysis of the outcomes in comparison with similar schools from across the region.

The head teacher will present the attendance data in each of the termly reports to the Governing body for the figures to be scrutinised against the attainment data. The Governors will have the opportunity to challenge the data alongside the practices for managing attendance, in order to tackle the overall absence rates across the school and within specific cohorts of learners.

Our school target is : 97.5% attendance

Strategic Action Plan

The school will produce an action plan to show how the school will set about achieving its attendance targets. This will include the school's aims for its vulnerable groups of learners, how it intends to close the gaps between the FSM and non-FSM pupils' attendance, the operational management of attendance, the strategic management of attendance including the evaluation of impact of interventions etc.

This action plan will be reviewed on an annual basis and will be used to inform the School Improvement Plan.

For educational purposes the term parent means natural parents and includes any person who has parental responsibility or has day to day care of the child.
