Year 3 Autumn 2 - One Planet, Our World.

RE	English	Maths
The topic this half term is called **Prophecy and Promise.** Children will explore two key themes: the structure of the Mass and the Nativity in St Matthew's Gospel. The focus on the Liturgy of the Word, learning how Christians gather, listen to Scripture, and respond in faith, linking this to Creation themes such as gift and rest. They also study Matthew's account of the Nativity, recognising Jesus as the fulfilment of Jewish prophecy and the long-awaited Messiah. Children reflect on the symbolic meaning of Bethlehem and its link to King David and the Eucharist. This Branch will deepen their understanding of the Mass and how Scripture is lived and celebrated in the Church.	**As Readers**, we will explore dictionaries, discussing what they are and how they are used. We will be reading Oliver and the Seawigs as our class text. We will discuss the characters and how they are portrayed by the author. We will also discuss the themes explored in the book. As Writers, We will communicate effectively through letters and diary entries. Make our own non fiction texts to be published thinking ca y about our organisation and layout. Write in rol class text and explore techniques used to create exciting characters. 	Counting, sequences, multiplication facts. Revise multiples of 2, 5 and 10. Count from 0 in multiples of 3, 4 and 8. Recall and use multiplication and division facts for the 3 and 4 and 8 times tables. Written and mental multiplication. Write and calculate mathematical statements for multiplication using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods. **Please ensure that your child is making use of their Times Tables Rockstar log in and are conducting regular practice.**

Science	Geography	Year 3 Autumn 2	DT	PE
We will continue our learning about the human body exploring the purpose and functions of joints and muscles. The children will also have opportunities to develop their scientific skills by asking relevant questions	This essential skills and knowledge project teaches children to locate countries and cities, and use grid references, compass points and latitude and longitude. They learn about the layers of the		**Cook well, eat well** teaches children about food groups and the Eatwell guide. They learn about methods of cooking and explore these by cooking potatoes and prepare a variety of taco	**Dance: Weather** The focus of the learning is to respond to different stimuli being able to add drama and emotion to the dance. **Game Sense Invasion** The focus of the learning is to introduce passing and receiving in order to keep possession of the ball. Pupils will concentrate on the attacking players keeping possession. They will develop an

				understanding of how to win the ball back (defending).

and using different types of scientific enquiries to answer them.	Earth and plate tectonics and discover the five major climate zones. They learn about significant places in the United Kingdom and carry out fieldwork to discover how land is used in the locality.	**One Planet, Our World.** 	fillings. 	
Computing	**PSHE**	**Music**	**French**	**IMPORTANT DATES:**
Stop-frame animation Learners will use a range of techniques to create a stop-frame animation using tablets. Next, they will apply those skills to create a story-based animation. This unit will conclude with learners adding other types of media to their animation, such as music and text.	Will help children to identify more complex relationships in their lives, including family, friends and other people, and explore how to relate to people within these different relationships. Children will also discuss what it means to be a good friend and learn some strategies to use when relationships become difficult. children will learn how to recognise bullying and abuse (including physical bullying and emotional bullying online). Children will take part in discussions and roleplay activities to consider how bullying affects people, and what strategies can be employed to resist pressure and practise resilience.			• Friday 6th November: Parent Workshop (Setting Boundaries) • Sunday 8th November: Family Mass at St Agnes • Wednesday 11th November: 3M assembly • Friday 13th November: Mr Marvel Disco • Monday 16th November: Odd Socks Day • Monday 16th November: Panto (Dr. Dolittle) • Thursday 3rd December: Christmas
